About the IAPD

The International Association of Paediatric Dentistry (IAPD) is a non-profit organization. It was founded in 1969 with the objective to contribute to promotion of the oral health for children throughout the world.

The primary aim of the Association is to function as an International Forum for certified pediatric dentists as well as general dental practitioners with an interest in treating children.

The IAPD is now comprised of 78 National Member Societies and through them represents over 20,000 dentists.
